

## From the Heads of the Raafidhah

*Shaykh Abdul Aziz bin Baaz, rahimahullah*

**Q:** "Eminent *Shaykh*, are the *Khomeiniyoon* (followers and supporters of Khomeini) from the *Raafidhah*?"

**A:** "Certainly the *Khomeiniyoon* are from the heads of the *Raafidhah*, along with those who follow them. They are those who are unrestrained regarding their 12 *imaams*. They go to extremes in exalting them, and they hold the belief that their *imaams* possess knowledge of the unseen, as well as infallibility. They invoke them, seek aid through them, and make oaths to them instead of Allah. This is present in their books, and whoever returns to *Al Kaafi* and other than *Al Kaafi* will find that. We ask Allah for safety. We ask Allah to return them to repentance and to spare the Muslims from their evil and the evil of those who are like them. This is because they are enemies and opponents to Islaam, and in reality they are at war with Islaam."

---

**Translators Note:** May Allah reward the noble *Shaykh* bin Baaz for his nobility in speaking the truth while calling to the upright religion of Allah. May Allah have expansive mercy upon him. While the *Shaykh* has returned to Allah, nothing has changed since the time of this question. The *aqeedah* of *Ahlus Sunnah wal Jama'ah* remains, as it will remain until Allah inherits everything in the heavens and earth. The futile, false beliefs of the deviant sects and parties are still in abundance in this present time, their promotors stopping at no end to dilute and distort what the Messenger of Allah (صلى الله عليه و سلم) and his noble companions were upon. Hold firm to the Book of Allah and the Sunnah of His Messenger (صلى الله عليه و سلم), and do not be fooled by the callers to misguidance from the likes of the *Ikhwaan-al-Muslimoon* (Muslim Brotherhood) who use their propaganda to promote false unity and cooperation with the enemies of the pure religion of Islaam. We ask Allah for firmness and safety, and may the salutations of peace and blessings of Allah be upon our Prophet Muhammad, his family and companions, and those who follow him in truth until the establishment of the Hour.
