

Obtaining True Fear of Allah
Shaykh Ubaid al-Jaabiree, hafithahullah

Q: How can I truly obtain fear of Allah, *aza wa jal* ?

A: Some questions are evidently dictated by *Shaytaan*ic whisperings. However my son, we advise you with a few things, such as:

- Frequent recitation of the Noble Qur'an
- An abundance of worship
- Preservation of what Allah has made obligatory, as well as an increase in the supererogatory acts of worship
- Much remembrance of Allah *subhaananahu wa ta'ala*, from **Tasbeeh** (saying 'Subhanallah'), **Tahleel** (saying 'La ilaha ilallah'), **Takbeer** (saying 'Allahu Akbar'), and **Tahmeed** (saying 'Alhamdulillah')

Also, from our advice is attending the blessed sittings and gatherings at the *masaajid* within your locality, including the five daily congregational prayers, the Friday prayer (*Salaatul Jumu'ah*), and the like.
